

WATER SERVICE APPLICATION AND AGREEMENT

PROPERTY OWNERS REQUESTING A CONNECTION TO SEATTLE'S WATER SUPPLY SYSTEM MUST AGREE TO:

- Furnish a legal description of the premise to be served.
 - Specify the location and size of service required.
 - Be fully responsible for any street or sidewalk restoration required for installing new service.
 - Pay all charges for the new service connection; in addition pay for any outstanding combined utility charges.
 - Provide all approved plans and permits when required.
 - Request inspection of the underground water service line on property from the city union to a stop valve and meet all requirements of Seattle Public Utilities.
 - Maintain, repair or replace service line leading to the City's union from the building served.
 - State fully the purpose for which water is to be used.
- Water Use: _____

SEATTLE PUBLIC UTILITIES MAY:

- Disconnect the domestic water supply for nonpayment of any water charges or combined utility charges.
- Temporarily shut-off any service at any time without notice for emergency repairs.

FIRE SERVICE REQUESTS ONLY: _____

I agree the water used from this service is exclusively for fire suppression systems and understand that any other use of the water through the detector check meter will require a change to a domestic meter at the property's owner's expense.

STREET RIGHT-OF-WAY RESTORATION: (Select one)

- ☐ **SDOT Option:** I elect to have the Seattle Department of Transportation (SDOT) perform all street restoration work needed for this water service connection, including but not limited to street and sidewalk repaving. I understand and agree that the charge for street restoration work will be \$_____. I agree to pay this charge in full at the time I submit this Water Service Application and Agreement. **I understand and agree that this charge is non-refundable, and cannot be changed or appealed to SPU once paid by me.** I understand and acknowledge that additional fees may apply if there are changes to the scope of work, design, or location of new water services.
- ☐ **Owner/Private Contractor Option:** I agree to be fully responsible for all street right-of-way restoration work required for this water service connection, including but not limited to restoring street and sidewalk paving to its original condition or better, and agree to hire a licensed contractor to perform the work. I have obtained an SDOT Street Restoration Permit/Street Improvement Plan (Permit #_____), and have provided SPU a copy of this Permit. I agree to comply with all requirements of the Permit. I understand and agree that if I fail to perform or complete the work required by the Permit, the City may perform the work and charge me for all costs it may incur for the work, and I agree to promptly pay all such costs.
- ☐ **Outside City:** Street restoration costs for SPU water service work in Washington State Department of Transportation right-of-way, City of Burien, Skyway, City of Shoreline, City of Lake Forest Park and unincorporated King County are based on agreements with these cities or state agencies. Charges will be determined by jobsite pre-installation inspection by SPU and street restoration agreements with these jurisdictions. I understand and agree that the charge for street restoration work will be \$_____. I agree to pay this charge in full at the time I submit this Water Service Application and Agreement. **I understand and agree that this charge is non-refundable, and cannot be changed or appealed to SPU once paid by me.** I understand and acknowledge that additional fees may apply if there are changes to the scope of work, design, or location of new water services.

The undersigned owner or owner authorized representative agrees to comply with all rules and regulations of Seattle Public Utilities relating to this new service connection and providing water to the premises identified above. If I am a representative of the owner, I certify that I am authorized by the owner to sign this Water Service Application and Agreement on the owner's behalf.
